ABOUT THIS PROPERTY

Don't miss this great opportunity to live in the sought after community of Belleair. This updated 4/2 home is only a few blocks from the Belleair Country Club, Pelican Golf Club and minutes away from the open waters of the Intracoastal Waterway and Gulf of Mexico. It has been completely tiled throughout with neutral porcelain tile making all of the rooms flow smoothly together, allowing for elegant decorating and design. Enjoy the updated gourmet kitchen which includes solid wood cabinets, granite counters and a custom built-in desk with extra cabinets and storage. Two sets of french doors lead to the family/sunroom overlooking the patio and private, fenced-in backyard. The hall bath includes a Jacuzzi tub with a separate walk-in shower and glass vessel sink. The main bedroom with french doors can be adjoined with the second bedroom (out of 4) to make a spacious master suite. Belleair is a wonderful community that provides a great Recreation Department offering numerous family events, sports teams, camps, classes and many other activities. Conveniently located close to airports, shopping, 2 private golf courses, delicious restaurants and world famous sparkling beaches this one won't last long.
